- D) The Parties intend to cooperate and focus their efforts on cooperation within the areas of Skill Based Training, Education and Lecture.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPEARTION

- 1.1. Both the parties are united by common interests and objectives, and they shall establish cooperation.
- 1.2. The Party and the Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3. The parties shall co-operative with each other and shall as promptly as is responsibly practical, sign relevant agreements.

CLAUSE 2: SCOPE OF THE MoU

2.1 **Google Skillboost Training and Certification:** Establish a framework for providing Google Skillboost Training to students, enhancing their technical skills and competencies in various Google tools and platforms. This training initiative aims to equip students with industry-relevant knowledge and practical skills. By participating in Google Skillboost Training, students will have the opportunity to gain certifications and hands-on experience, which will prepare them for future career opportunities and make them more competitive in the job market. The MoU signifies a commitment to fostering a technologically skilled workforce, meeting the growing demand for digital proficiency in multiple fields. This will provide confidence and smooth transition for students' work. Also the Second party may register itself on the AICTE Internship Portal for the benefit of Students.

2.2 **Guest Lectures:** The Second Party may extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 The initial batch of students for the Google Skillboost Training under this MoU will be drawn from the following departments and is expected to be completed within three months:

1. B.Sc. Computer Science
2. M.Sc. Computer Science
3. B.Sc (Information and Communication Technology)
4. Department of Information Technology
5. Bachelor of Computer Applications (BCA)
6. B.Com/ CA
7. B.Com

These departments have been selected to participate in the first phase of the program, which is designed to develop essential digital and technical skills in a short timeframe. By completing the training within three months, students will gain practical knowledge and industry-recognized skills that can immediately enhance their employability and prepare them for future career opportunities.

2.4 The next batch of students for the Google Skillboost Training, also expected to be completed within three months, will be drawn from the following departments:

1. Department of Mathematics
2. Department of Business Administration
3. Department of Statistics
4. Department of Tamil
5. Department of Biotechnology and Bioinformatics
6. Department of Economics
7. M.Com
8. MBA
9. M.Sc. Mathematics

This second phase of the program continues to expand the reach of the training, incorporating a broader range of disciplines. By focusing on departments spanning sciences, arts, business, and technology, this initiative aims to build a diverse set of digital and technical skills across various fields of study. The three-month timeline ensures that students from these departments receive targeted, intensive training that aligns with current industry demands, enhancing their career prospects upon completion.

2.5 The Google Skillboost Training will be offered at a fee of 2,500 INR per student, with a minimum enrollment requirement of 1,000 students per batch. Payment for the training will be structured as follows: an initial payment of 50% of the total fees will be required before the start of each batch, and the remaining 50% will be due before the issuance of certifications. This fee structure ensures that resources and training materials are adequately provided for each cohort, supporting a seamless learning experience and maintaining the quality of the program across all participating departments.

2.6 Both the Parties will obtain all internal approvals, consents, permissions and licenses of whatsoever nature required.

CLAUSE 3: VALIDITY

3.1 This Agreement will be valid for a period of five years and can be terminated by either Party on the month written notice without affecting ongoing commitments.

CLAUSE 4: RELATIONSHIP BETWEEN THE PARTIES

4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Signed by the Parties in mutual agreement on the day and month first mentioned hereinabove.
