**MEMORANDUM OF UNDERSTANDING
BETWEEN
NATIONAL COLLEGE (AUTONOMOUS), TRICHY
DEPARTMENT OF B.Voc (ICT)
AND
T4TEQ SOFTWARE SOLUTIONS, TRICHY
TAMIL NADU**

This Memorandum of Understanding (MoU) is made and entered into on this Friday day of 22/12/23 by and between:

National College Autonomous), Tiruchirappalli, Tamil Nadu, India (hereinafter referred to as "College"), a renowned educational institution in Karumandapam, Trichy, Tamil Nadu 620001, represented by its Principal, **Dr. K. Kumar**.

T4TEQ Software Solutions, #5, All Saints Complex, Puthur High Road, Trichy, Tamil Nadu, India (hereinafter referred to as "Company"), a leading provider of software solutions, represented by its Managing Director, **Mr.N.S.Ismail**.

WHEREAS, recognizing the importance of bridging the gap between academic learning and practical industry experience, the College seeks to provide its Department of Bachelor of Vocation (B.Voc. ICT) students with valuable exposure through internships, workshops, symposia, and other educational activities.

WHEREAS, committed to supporting the development of future talent in the IT sector, the Company is eager to collaborate with educational institutions and share its expertise with B.Voc. students.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein after set forth, the parties agree as follows:

1. Purpose:

Enhance B.Voc (ICT). students employability: T4TEQ will offer internship opportunities in relevant fields like software development, data analytics, and IT infrastructure management to provide practical experience and industry exposure to National College Autonomous), B.Voc. students.

Bridge the industry-academia gap: Through collaborative workshops and seminars, T4TEQ will share industry trends, technologies, and skills with National College Autonomous), B.Voc(ICT). students and faculty, fostering knowledge exchange and closing the gap between theoretical education and practical application.

Empower B.Voc(ICT). learning and initiatives: T4TEQ will provide financial and/or technical support for symposia, conferences, and other educational activities organized by National College's Department of B.Voc., enriching the learning experience and promoting innovation.

Specific Activities:

Industrial Training & Visits: T4TEQ will facilitate industry visits and training programs for National College faculty and students, including potential involvement in T4TEQ projects. This will enhance student confidence and prepare them for smooth career transitions. T4TEQ may also consider registering on the AICTE Internship portal to further benefit National College students.

Guest Lectures: T4TEQ will provide expert speakers for guest lectures at National College, sharing valuable insights on current technology trends and industry requirements, keeping students updated and equipped for future success.

Placement Assistance: T4TEQ will actively engage in assisting National College with student placement by leveraging its network and industry connections, helping B.Voc(ICT). graduates find rewarding career opportunities aligned with their skills and aspirations.
