(Agri Storage & Supply Chain)
National College (Autonomous), Tiruchirappalli,
E-mail:kanimozhicom@nct.ac.in

V. Kanimozhi is an accomplished academic and researcher based in Trichy, Tamil Nadu. She holds a Ph.D. in Economics from Urumu Dhanalakshmi College, Bharathidasan University, with a thesis focusing on the role of financial institutions in the development of micro, small, and medium enterprises in Trichirappalli district. Her academic journey includes an M.Phil. in Economics from the same college, an M.A. in Economics from Annamalai University, and a B.A. in Economics from Government Arts and Science College, Ariyalur.

Dr. Kanimozhi has made significant contributions to her field through various publications in UGC-approved, international, and national journals. Her work includes studies on rural development, consumption patterns, MSMEs, and the impact of economic policies such as GST and demonetization. She has also presented numerous papers at international and national seminars, highlighting her active engagement in academic discourse.

In addition to her research, Dr. Kanimozhi has participated in various workshops and training sessions on research methodology, intellectual property rights, and the economic impact of COVID-19. She has also been involved in faculty development programs, demonstrating her commitment to continuous learning and professional development.

Her personal profile includes fluency in Tamil and English, and she is married with a strong connection to her community in Trichy. Dr. Kanimozhi's academic and professional achievements, coupled with her active participation in seminars and workshops, underscore her dedication to advancing economic research and education.
