DELNET one day Regional Seminar on “Strategies for Transforming Libraries: Growing Trends & Technologies”

- In order familiarize the library professionals to the latest Library & Information Science tools and technologies ,National College (Autonomous), Tiruchirappalli-1 held a one day Workshop on **“Strategies for**

Transforming Libraries :Growing Trends & Technologies” in collaboration with DELNET, New Delhi,- a prominent player and pioneer in generation and distribution of E- learning resources. The workshop also focused on academic integrity and ways to stop plagiarism

The workshop organized by the Department of Library on 20th November was inaugurated by **Dr. Vaidehi Vijayakumar, Vice Chancellor, Mother Teresa University Kodaikanal**. In her inaugural address, the VC noted that libraries are no longer mere storehouses of books. With the rapid and tectonic changes in technology, the functions of libraries have changed radically. Digitalization and computerization have enabled access to trillions of academic resources in a nano second. Libraries have before them the challenging task of harnessing technology to provide access to these mind-blowing volume of resources available across the cyber space. She appreciated the efforts taken by the college to highlight the strategies for transformation of libraries in the emerging scenario.
