Anti- Ragging Committee Meeting

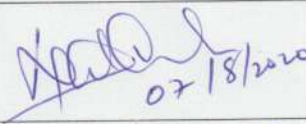

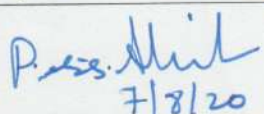

Date: Google Meet held on 07/08/2020

Minutes of the Meeting

Issues on ragging and its impact on the students and society was discussed. Ragging remains banned in all educational institutions as per the rules of both State and Central government. The Anti-Ragging committee constituted by the representing teachers from every department have a greater responsibility to retain the 'ragging-free' campus status of the institution.

The following points were discussed during the meeting:

- As being followed every academic year, the freshers need to be sensitized regarding their rights to be safe from the menace of 'ragging'.
- Senior students need to be sensitized that ragging is a 'crime' and have to be restrained from practicing it.
- Mobile phone numbers of the committee members have to be published in campus and also circulated in the students whatsapp group.
- Students grievances of ragging or anything similar has to be brought to the notice of the committee and due action need to be taken.
- Awareness posters can be posted in the digital display board to sensitize the students during their entry into the campus.
- Program officers of all the clubs and academic bodies can be informed of the causes and consequences of ragging and may be empowered to monitor their member students.
