Introduction

The National College Management has instituted scholarship for students who are academically bright but economically backward. The Management is deeply committed to transforming the lives of such deserving students. Every year, budgetary allocations are made and the needs of such students are met in the form of tuition fee waiver and subsidy, free hostel boarding and lodging, travel allowance to take part in sports meets and other contingent expenses. Some of the alumni also contribute liberally for such scholarships.

Eligibility Criteria

- Students who are regular in their attendance to classes.
- Students who display remarkable talents in sports and games.

- Students who are of low-income status and not known to receive any scholarship from government.
- Students who are classified as special children and without any parental support.
- Wards of labourers and menial workers employed in the college.
