## EQUITABLE AND INCLUSIVE EDUCATION

PG & Research department of Physical education at National College seeks to bring about positive changes in the lives of children with disabilities through a range of policies and service provisions designed to enhance their individual skills and knowledge.

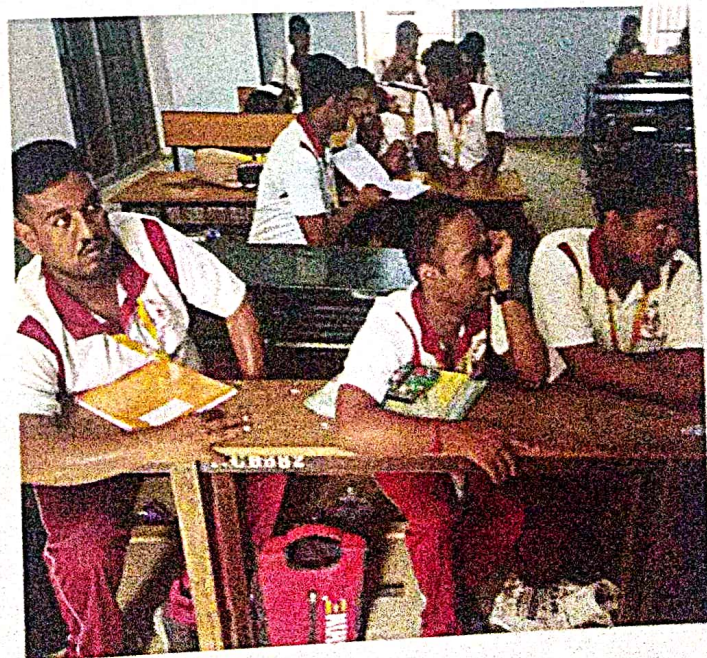

Children with disabilities and other Mental Health is does Not matter how profoundly affected, where facilities are inaccessible for their community, families and the atmosphere they live in. We at National College of Trichy provide a lively atmosphere with Education, Sports, Co-curricular activities, team building activities and showcasing their inborn talents to the front.

### How our college helps children with special educational needs?

At our college we usually provide help and sometimes use specialists. If your child has special educational needs, they may need extra help:

- With classwork
- Reading, writing, number work or understanding information of their respective discipline
- Expressing themselves or understanding what others are saying
- Making friends or interacting with adults
- Behaving properly in classroom environment
- Organising themselves for activities with leadership qualities
- Making them Feel they are equals

## Benefits of being a sports department student of a special child:

The benefits of regular physical activity are many:

- Better overall fitness
- Improved cognitive health
- Better control of weight
- Healthier bone density
- Better emotional and psychological health
- Improved social skills
- Improved motor skills
- More self-esteem
- Reduced risk for diseases, such as diabetes
- Regular medical check-up

## Building their Leadership qualities:

- Promote Teamwork. Leadership qualities in children are developed quickly through teamwork.
- Volunteering Activities. Volunteering gives kids a different perspective.
- Set a Good Example.
- Enrol in Camps activities.
- Surround Them with Leaders.
- Give Them Choices.
- Teach Communication Skills.
- Encourage Perseverance.

We Serve Children with Special Health Care Needs and Disabilities Including Children Eligible Under IDEA 2004.

## Challenges faced by professors and coaches at our campus:

Involve problems with reading, writing, mathematics, reasoning, listening, and speaking. ●

The widespread misperception that teaching is easy. ●

Non-Instructional responsibilities. ●

Lack of Support. ●

Dealing With Multiple Disabilities. ●

Handling the Problems of an Inclusive Classroom. ●

Professional Isolation. ●

Coordination in physical activities. ●

## Classroom management in special education:

- We establish relationships with other students.
- Create positive learning environment.
- Set expectations.
- Our faculties organize their lessons for them accordingly.
- Make them focus on their strengths.
- Self-behaviour specific praise.
- Greet students at the door and at any time they wish.
- Focus on student centric development.
