In their well-being and prosperity alone, lies my happiness. Jai Hind!

## NATIONAL INTEGRATION PLEDGE

I solemnly pledge to work with dedication to preserve and strengthen the freedom and integrity of the nation. We, the people of India, having abiding faith in our country's tradition of non-violence and tolerance, hereby solemnly affirm to oppose with our strength all forms of terrorism and violence. We pledge to uphold and promote peace, social harmony and understanding among all fellow human beings and fight the forces of disruption threatening human lives and values.

## THE CREST & THE MOTTO

The Crest, the Motto as well as the Verse from Thirukkural, which adorn and express our lives here, also indicate in a large measure what the College represents.

The quotation from Thirukkural reads:

**From deep pools rise the long-stalked flowers,  
So rise from depth of soul men's powers.  
And the Verse containing the Motto thus :**

*" Saa Vidyaa Yaa Vimukthayea "*

- ✦ That alone is Knowledge which liberates.
- ✦ The Crest shows the Sun rising above the waters and helping the Lotus to blossom. The Sun and the Lotus are mystic symbols in our faith, associated with different methods of God-realisation.
- ✦ All the three, the Crest, the Motto and the Verse from Thirukkural stress the basis of religion for true education. All the best tenets of our religion are implied in these: fearlessness, non-violence, pursuit of truth, tolerance, and the genius of assimilation.

# NATIONAL COLLEGE

## - A SKETCH

Hon'ble **Shri M. Venkaiah Naidu**, the Vice President of India formally inaugurated the Centenary Celebrations on 10th January 2020.

**N**ational College, Trichinopoly was founded on 11th June 1919, due to Diwan Bahadur S.Rm. Ct. Pethachi Chettiar, Zamindar of Andipatti and the collective initiative and zeal of eminent personalities Justice T.V. Seshagiri Iyer, Sir. T. Desikachariar, Sri. N. D. Subbarama Iyer and Sri. S. Sivaramakrishna Iyer. The college has its origin in the National High School founded on 11th June 1886.

The founders conceived the idea of a National Institution to promote among the youth, the loftiest ideals that constitute the essence of Indian Culture and Nationalism. True to its name, National College continues to impart cultural values and fulfil its role as one of the premiere Nation-building institutions of the country. Under the stewardship of eminent scholars and administrators as its Principals and Secretaries, the College has become a seat of Higher Education and has earned a reputation for its high education standards.

The College functioned in Teppakkulam Campus for nearly four decades from 1919. On 8th July 1959, the College started functioning in the new campus, close to the Railway Junction on the Tiruchirapalli - Dindigul Highway.

- **The College celebrated its Golden Jubilee in the year, 1959.**
- **The Diamond Jubilee of the College was celebrated in the year 1980-81, under the Presidentship of Hon'ble Shri R. Venkataraman**, the most distinguished alumnus, the then Minister of Finance, Government of India, who later became the President of India.
- **The Vice-Chancellor of Bharathidasan University, Dr.V.R. Muthukaruppan presided over the Platinum Jubilee Celebrations in the year.**

The National Evening College emerged in the year 1978, to cater to the needs of the employed youth, who wanted to improve their knowledge base. The 'Evening College', became the 'Unaided Programmes', from the academic year 2005-06. The 'Aided programmes', and the 'Unaided programmes' coexist.

The college introduced co-education pattern from the academic year 2007, to fulfill its social commitment for education of the girls in the area of higher education.

The College offers seventeen Postgraduate and twenty three Undergraduate Programmes, apart from part-time and job-oriented programmes. Thirteen departments offer the facility to register for the Doctoral. Degree programmes. The staff members vie with each other in producing quality research publications. The establishment of National College Instrumentation Facility (NCIF), the only one of its kind in this part of the country, is one of the examples for the provision of adequate infrastructure for high-end research. This supports a wide spectrum of researchers in science, across the country. The National Assessment and Accreditation Council (NAAC), accredited the College at 'A' Level in the first cycle (2005) and 'A+' in the third cycle (2016). The University Grants Commission (UGC) conferred the Autonomous status in the year 2010 and conferred the privilege of "College with Potential for Excellence" status, in the year 2011.

The MHRD, Government of India has identified the college for Study in India (SII) Programme, to admit foreign students in various academic programmes.

Dr. V. Krishnamurthy Educational Foundation, manages the college along with two schools, Sesa Iyengar Memorial Higher Secondary School, situated in the ancient historic town of Woraiyur, Tiruchirapalli and The Rajam Krishnamurthy Public School, CBSE (RKPS). RKPS commenced in 2019 and is situated opposite to the College Campus, abutting the Boys' Hostel. Empowered with the latest state-of-art technology, the RKPS provides uncompromising and best quality school education.

After Trifurcation of National College Council in 2004, till 2010, the newly named Academy of Higher Education under whose jurisdiction, the National College and Sessa Iyengar Memorial Higher Secondary School came, saw a turning point in all aspects. New courses were introduced and the College strength also improved greatly.

An additional fee of Rs.50/- with a fine of Rs.10/- per day of delay is to be paid before the 30th working day, for the payment of the tuition fee with fine (vide. Paragraph No.3, also). The names are liable to be struck of the rolls, after that. On the discretion of the Principal, the student may be re-admitted by the payment of full fees, with re-admission fee and late fee, as per the norms. Absence from the college, with or without the sanction of the Principal, shall not be deemed as an excuse for not paying the fees, before the stipulated period.

### 2. SCHOLARSHIPS / STIPEND / FINANCIAL ASSISTANCE / FEE CONCESSIONS

- Scholarships/stipend/financial assistance/fee concessions:
- State Government Scholarships for BC/MBC/DNC/SC/ST
- Government of India Scholarships Central Sector Scheme - National scholarship portal <http://scholarships.gov.in>.

- State Government Ph.D. Research Scholarship for SC/ST

The required percentage in attendance is one of the criteria essential for applying/sanctioning/renewal of the scholarship, apart from an excellent scoring at the previous level of study (+2 /Degree). A few more scholarships are also made available from time to time. Students are to get updated by carefully perceiving the notice board, and the circulars/announcements from the Principal.

### 3. ATTENDANCE

Attendance is marked at the advent of every hour. Students coming late may not be marked attendance for that hour. Also, those who are not inside the classroom/lab may not be marked the attendance. They have to seek the permission of the concerned Class Teacher and the Head of the Department, which will ultimately be sanctioned only by the Principal. The students are to apply for leave of absence, much earlier, to avoid embarrassment (vide. Rules, Regulations and Instructions). Absence for more than six working days may cause the name to be struck off the rolls. They may be re-admitted, at the discretion of the Principal. Abstaining from the periodical tests/examinations would tell upon

the attendance and internal assessment. Only those who have 75% or more of the total attendance will be permitted to appear for the Semester Examinations. And Attendance Certificates are issued only to those who have proven integrity. Any appeal for exemption from the production of Attendance Certificate is considered, if only the Principal is convinced about the fact that the lapse is beyond the control of the student. The number of working days per semester is not less than 90 days. Hence the students are advised to secure 75% of attendance, in each course, in which he/she is going to appear for the examination. Those who fail to do so, would have to re-do the concerned course and/or semester(s), after the completion of the whole programme. They have to re-do Semester I with a minimum attendance and then proceed to the Semester II.

#### **6. COLLEGE ASSOCIATIONS / CLUBS / FORUMS**

The students shall choose one or more college forums/associations in the College. They provide opportunities to improve individual skills, hidden in oneself. U = Undergraduate  
 P = Postgraduate  
 M = M.Phil.,  
 R = Ph.D.,  
 A = Aided Programme  
 S = Unaided Programme

## CHOICE BASED CREDIT SYSTEM (CBCS) & OUTCOME BASED EDUCATION (OBE)

All the programmes offered by the College come under CBCS and OBE. It helps the students to keep pace with the latest developments and trends in higher education in compliance with the assurance of quality in liberalisation and globalisation. This came into effect from the year 2005-06, as per the guidelines of the affiliating university. A restructured syllabus is introduced from the year 2010, as the college became autonomous, at all levels of U.G. and P.G. Programmes. The structure and syllabi are subjected to revision at least once in three years or as and when required.

The University Grants Commission (UGC) has initiated the mission of improving the quality of higher education in India through its Quality Mandate in the year 2018. This aims to fill the gap in acquiring degree and attain the level of employability. Therefore, it took the drive for developing Learning Outcomes based Curriculum Framework (LOCF) under the international standards of Outcome Based Education (OBE).

Learning in this pattern, Bachelor's Degrees are awarded on the basis of demonstrated achievement of outcomes (expressed in terms of knowledge, understanding, skills, attitudes and values) and academic standards expected of graduates of a programme of study. Learning outcomes specify what exactly the graduates are expected to know after completing a particular programme of study, understand and capable of doing what they ascertain at the end of their programme of study. The expected learning outcomes are used as reference points that would help formulate graduate attributes, qualification descriptors, programme learning outcomes and course learning outcomes which, in turn will help in curriculum planning & development, and in the design, delivery and review of academic programmes. They provide general guidance for articulating the essential learning associated with programmes of study and courses within a programme.

Keeping in mind the approach of the UGC on LOCF and by its directions, our College, through its august Academic Council, decided to implement OBE in the curriculum from the academic year 2019-20 onwards.

The Marks Statement would carry the nomenclature of such courses and credits obtained, at the completion of the course/programme.

## AUTONOMOUS EXAMINATIONS

The general pattern for the question paper (theory) for the Semester Examinations:

### SECTION - A

Question Nos 1 to 20, Multiple Choice Questions, each question having four answers under the choice. **20 x 1 = 20 Marks**

### SECTION - B

Question Nos. 21 to 25, One of the two Questions, under each subdivision. (Either ... Or ... pattern) **5 x 5 = 25 Marks**

### SECTION - C

Question Nos. 26 to 30 Internal Choice Questions (Three out of Five Questions) **3 x 10 = 30 Marks**

This pattern is subject to change, depending upon the needs of the Courses or Programmes. The students are advised to consult the Faculty member and/or the Head of the Department.

## EVALUATION OF INTERNAL ASSESSMENT

The Continuous Internal Assessment (CIA), is based on the performance of the student in the Assignment, Tests, Seminars and Attendance, every semester. The Course Teacher evaluates the performance. This evaluation is consolidated at the end of the course. The components for the CIA are:

### POST GRADUATE

A candidate shall be declared to have passed in each course, if he/she secures not less than 40% marks in the end semester examinations and 40% marks in the CIA and not less than 50% in the aggregate.

## SUPPLEMENTARY EXAMINATIONS

These examinations are conducted at the end of the final semester within 15 days of the declaration of the results for those out-going students with an arrear in only one course.

## IMPROVEMENT OF INTERNAL ASSESSMENT MARKS

The students, who fail to attend the CIA Test or submit the assignment, are permitted to write the Test/Assignment, before finalising the CIA marks, during the semester, at the discretion of the Principal. The dates of the tests are decided by the concerned Head of the Department, in consultation with the tutor and the staff-in-charge of the respective course.

The students who fail to secure the passing minimum in the CIA of a course, may be permitted only once, to improve the Internal Assessment in the subsequent semesters by writing three assignments and two tests, by remitting a fee of Rs.500/- per course. In case of P.G. Students, those who have secured a passing minimum of 40% in both the CIA and end semester examinations, but failed to secure 50% in aggregate, are considered as failed candidates. Such students are not permitted to improve CIA. However, he/she can only appear for the theory examination in the subsequent semesters to secure the minimum pass of 50% in the aggregate.

## TRANSPARENCY, RE-TOTALING AND REVALUATION

There is a provision for obtaining transparency (photocopy) of the answer scripts by remitting a fee of Rs.300/- per course. A student may also opt for re-totaling of his/her answer scripts by remitting a fee of Rs.300/- per course

A Student may also apply for revaluation of the answer scripts by remitting a fee of Rs.500/- per course. However, in the process of revaluation, the answer scripts for the course concerned may not be revalued directly. ## IMPROVEMENT OF MARKS

The college permits the students willing to improve their marks/grade points by appearing for the subsequent end semester examinations, if he/she does not have any arrear till that semester (in which he wants to apply for improvement). A fee of Rs.500/- is to be paid for each course. The candidate is to specify the course/courses, which he desires to improve, separately, while applying for improvement. The college gives only one chance for such improvement. This provision is given only to facilitate the student to improve the grade point average. And they are not eligible for appearing in the Ranking Examinations conducted by the college and the university.

## CREDITS
